Retail & Leisure

Covering all the aspects. Just as you'd expect

We know that the retail industry is dynamic and fast-paced but the current economic climate is piling on the pressure for those within it due to demanding, unprecedented levels of change.

We have a dedicated team of solicitors who understand the need for speed, flexibility and determination to navigate through negotiations and achieve the best result for our clients.

We cover the full range of retailers' legal needs from property/portfolio management, franchising, commercial contracts, mergers, acquisitions and disposals of premises to employment immigration and dispute resolution.

We work with many well-known retail brands, including Muffin Break, Cambria, Giggling Squid and Menkind. We have been involved with many brands from inception and remain with them as they grow and expand.
